

Year one Homework information 2018-19

Homework will be given every Wednesday to be returned the following Monday. It will be based on either: Maths, English or Science. The children will be issued with a homework folder.

P.E

P.E will take place on Wednesdays and Thursdays. We will keep PE kits in school and will return them at the end of each half term. Please ensure that your child has a pair of trainers. We request that children have a pair of jogging bottoms for cold weather, no tights please.

Spellings

Spellings will begin after Christmas and will consist of 5 words that will be written in bold and underlined in a sentence to give them context. These words will be sent home on Monday and will be tested on Friday. The children will be provided with the sentence and will need to write the missing word in the space provided.

Reading Books

Your child will be provided with two reading books each week. These will be from the book level below the one in which your child is reading in school; this is to enable them to build up confidence and reading fluency. The books will be changed and sent home on a Thursday and will need to be back in school for this day. Please try to read on a daily basis with your child as this makes a **huge** difference. Your child will also have a reading record, please sign and date this when you have read with your child and write any comments in the space provided.
