

These are the standards children must meet to be judged as 'Greater Depth' for Year 2. In **addition** to the expected standards the children must be able to demonstrate the following skills to be judged as 'Greater Depth'.

Reading:

The pupil can, in a book they are reading independently:

- make inferences
- make a plausible prediction about what might happen on the basis of what has been read so far
- make links between the book they are reading and other books they have read.

Writing

The pupil can, after discussion with the teacher:

- write effectively and coherently for different purposes, drawing on their reading to inform the vocabulary and grammar of their writing
- make simple additions, revisions and proof-reading corrections to their own writing
- use the punctuation taught at key stage 1 mostly correctly
- spell most common exception words*

- add suffixes to spell most words correctly in their writing (e.g. –ment, –ness, –ful, –less, –ly)
- use the diagonal and horizontal strokes needed to join some letters.

Maths

The pupil can:

- read scales* where not all numbers on the scale are given and estimate points in between
- recall and use multiplication and division facts for 2, 5 and 10 and make deductions outside known multiplication facts
- use reasoning about numbers and relationships to solve more complex problems and explain their thinking (e.g. $29 + 17 = 15 + 4 + \blacklozenge$; ‘together Jack and Sam have £14. Jack has £2 more than Sam. How much money does Sam have?’ etc.)
- solve unfamiliar word problems that involve more than one step (e.g. ‘which has the most biscuits, 4 packets of biscuits with 5 in each packet or 3 packets of biscuits with 10 in each packet?’)
- read the time on a clock to the nearest 5 minutes
- describe similarities and differences of 2-D and 3-D shapes, using their properties (e.g. that two different 2-D shapes both have only one line of symmetry; that a cube and a cuboid have the same number of edges, faces and vertices, but different dimensions).
