

PSHCE Long Term Curriculum Plan

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	<p>Meet the Go-Givers</p> <p>Take responsibility (Everybody, somebody, anybody, nobody)</p>	<p>Name Calling: Sticks and stones</p> <p>Resilience: bouncing back</p>	<p>Refugees: the stranger (KS1)</p> <p>Tongue: the power of words (ks1)</p>	<p>Children's needs: roots and wings This lesson looks at what children need to make the most of their potential and how charities support those in need.</p> <p>The golden rule: Multi-faith values his lesson shows how all the major religions subscribe to the idea that we should behave towards others as we would like others to behave towards us</p> <p>Conscience corridor This lesson is a Speaking and Listening activity which provides an opportunity for children to listen, put forward arguments, and make informed decisions on a number of controversial topics such as whether it is fair to make animals perform in a circus and whether children should be taught in 'sets' by ability or in mixed ability groups.</p>	<p>Nelson Mandela This lesson explores Nelson Mandela's fight against apartheid in South Africa. It considers different points of view about famous people in history and concludes that struggles for freedom are not necessarily peaceful.</p> <p>Sustainable development The PowerPoint consists of a pictorial quiz, with photos representing environmental problems and solutions.</p> <p>Culture: the Roma This lesson is a celebration of cultural diversity - the similarities which unite us and the differences that enrich us. It takes a particular look at Roma culture.</p>	<p>Rights and responsibilities: Freedom! This lesson explores our right to freedom, and how this right comes with responsibilities towards others. It also tells the story of Toussaint L'Ouverture's fight for freedom from slavery for the people of Haiti. It asks children consider if they have ever had their freedom taken away, even for a short time, and how this felt.</p> <p>Democracy</p> <p>Our interconnected world This lesson explores how events in one part of the world can have a global impact, taking the examples of the war in Syria, the Ebola crisis and fluctuating oil prices.</p>
Autumn 2	<p>Litter: the picnic</p> <p>Rules: you can't do that here!</p>	<p>More than one friend</p> <p>Christmas with the Go Givers</p>	<p>Peer Pressure: it's your choice</p> <p>The two brothers (ks1)</p>	<p>Mediation: resolving conflict This lesson explores how conflicts can be resolved by looking at things fairly, listening carefully and</p>	<p>Rights & Responsibilities: Getting the Balance Right This lesson explores how rules and laws help keep the balance between our rights and the rights of</p>	<p>Working for Peace This lesson looks at the causes of conflict and areas of the world where there is strife. It explains the role of the UN and how</p>

				<p>trying to stand in the other person's shoes. It also looks at how mediators can help negotiate solutions that can be agreed to by both parties.</p> <p>Homophobia: Respecting all our differences This lesson takes the form of an animated story involving Go-Givers character Anna who is being called 'gay' because she plays football and doesn't like wearing dresses. The story addresses the issue of homophobic bullying, and explores different kinds of families. This lesson has been approved by the Stonewall education team.</p> <p>For & against: where do you stand? This lesson provides a number of issues on which children are asked to think about where they stand. They will be supported in learning how to express their views and listen to different points of view before making up their mind on important issues.</p>	<p>others by looking at the examples of privacy and free speech. It includes a video of an interview with Shami Chakrabarti, Director of Liberty.</p> <p>Keeping Safe in Cyberspace This lesson explores the dangers of sharing personal information on the internet through situations involving the Go-Givers characters. It focuses on why bullying via social media and mobile phones is particularly harmful and how children can protect themselves from the various forms of cyber-bullying.</p> <p>Magna Carta This lesson explores the concepts of fairness and justice and how the Magna Carta is the foundation for equality before the law in the UK.</p>	<p>some charities work for reconciliation.</p> <p>Gandhi: Great Soul This lesson is about the life of Mahatma Gandhi and how he brought about change by peaceful means; one man's campaign to overcome racism and injustice.</p> <p>Child Slavery: All for Profit This lesson looks at the Unicef Rights of the Child and how children across the world are enslaved or bonded to serve the needs of business.</p>
Spring 1	<p>Pollution: Expedition to Planet Blueball</p> <p>The Selfish Little Red Hen</p>	<p>Bullying: I won't be made to feel bad</p> <p>Saving Energy</p>	<p>The Earth in Our Hands</p> <p>Schools are for Learning</p>	<p>Fairtrade: Have a Banana This lesson explores how Fairtrade can create a more equal market for the independent producer. It also includes the health giving properties of a banana.</p> <p>Microorganisms</p>	<p>Martin Luther King: Sacrificing all for the Dream This lesson looks at discrimination against African Americans in the United States during the 1950s and 1960s, the Civil Rights Movement and how Martin Luther King</p>	<p>Stressed Out This lessons aims to help children understand the situations that cause stress, and to recognise and deal with stress in themselves and others. It accentuates the importance of sharing and listening.</p>

				<p>This lesson looks at microorganisms and explores how some can be helpful, while others are harmful. It also teaches children about the importance of good hygiene.</p> <p>Emergency This lesson describes how the emergency services operate. It also explains the role of the volunteer and how to administer basic First Aid in situations such as nose bleed and bee sting. The lesson includes a video containing interviews with the staff of Kent Air Ambulance, and an electronic First Aid quiz.</p>	<p>achieved change through peaceful protest. It also explores the nature of prejudice and racism and includes a link to the famous 'I have a dream' speech.</p> <p>Valentine's Day The origins of Valentine's Day traditions</p> <p>Topics for discussion: Mind Maze Mind Maze consists of a series of cryptic questions to develop children's ability to discuss social and moral issues.</p>	<p>Inspiring Stories: young Fundraisers and Campaigners (You Can't Buy Anything for a Penny) This lesson highlights the amazing achievements of young people who have campaigned for a cause they care passionately about. It is particularly useful when children are embarking on social action projects like the Go-Givers Make a Difference Challenge.</p> <p>Bullying: Prepare to Stand Up and Stand Out This lesson looks at ways in which we differ from each other and how we can develop a positive body image. The children learn about intervention strategies through role play.</p>
Spring 2	<p>Managing Anger: Please Help Mitali</p> <p>Medicine and Drugs: Get Better Soon</p>	<p>Vote for the Go-Givers</p> <p>Africa</p>	<p>Go-Givers Park (KS1)</p> <p>The Clown of God (KS1)</p>	<p>Animal Care: Creature Kindness This lesson looks at the advantages and disadvantages of pet ownership, the importance of taking care of animals and the work of animal welfare charities such as the RSPCA.</p> <p>Family Break-Up: Mum Doesn't Live Here Anymore This lesson is designed to help children cope with family break up. It is delivered in a cartoon format using Go-Giver</p>	<p>Mary Seacole and Florence Nightingale: Pioneering Nurses This lesson tells the story of how Mary Seacole and Florence Nightingale overcame prejudice to help others and explores how discrimination can prevent people from making a full contribution to society. The lesson also helps children understand the importance of good hygiene, particularly in hospitals.</p> <p>Diversity: Identities This lesson explores the</p>	<p>Strong Societies This lesson addresses the questions 'What is a society?' and 'What makes a strong society?' It explains how laws, taxes and charities contribute to our well-being, and suggests how we can be responsible citizens. The benefits of society are shown through a cartoon story</p> <p>Understanding Cancer Many children in classrooms all around the country are dealing with cancer in one way or</p>

				<p>character Callum's personal experience to explain what can happen when mums and dads don't get along anymore.</p> <p>Equal Opportunities This lesson is about the meaning of equal opportunities and the nature of prejudice. It gives examples of groups that may suffer from discrimination.</p>	<p>wide range of cultural influences that have shaped the heritage of people living in Britain today. It asks children to think about their own identities and the different groups they belong to using a poem to encourage curiosity about similarities and differences.</p> <p>Discussion Scenarios: Dizzy Dilemmas This lesson is a series of nine personal and social dilemmas children might come across in real life. It provides opportunities for open-ended discussion, suitable for Circle Time, and asks children what they would do in a similar situation.</p>	<p>another at any given time. This lesson seeks to answer some of their questions and demonstrate how they might support friends and family members affected by the disease</p> <p>Stephen Lawrence: Long Search for Justice This lesson for upper KS2 looks at how we use our discrimination, and how discrimination can be socially harmful. This unit sets out how the parents of Stephen Lawrence went about achieving justice for their son.</p>
Summer 1	<p>Disability: Stairs</p> <p>Caring for Pets</p>	<p>Family Relationships: It's a Dog's Life</p> <p>Golden Girl: Jessica Ennis-Hill</p>	<p>Animals that Help Each Other (You Scratch my Back) KS1</p> <p>There's No Place Like Home</p>	<p>Care for the Elderly: The Grey Years This lesson aims to help children understand the process of ageing and what it feels like to be old. It also looks at how charities help older people retain their independence.</p> <p>The Gift of Sight This lesson explains how the eye works. It explores the importance of sight, eye safety and how sight can be restored to some blind people in developing countries for very little cost.</p> <p>What Kind of Farming? This lesson looks at animal</p>	<p>Bereavement: Treasured Memories This lesson helps children understand how to deal with their feelings after the death of someone they cared for. It also suggests activities for children to do in school on the occasion of the death of a pupil or adult associated with the school.</p> <p>Jealousy: The GreenEyed Monster A lesson about the difference between envy and jealousy, and how jealous feelings can be harmful to ourselves and others. It suggests various scenarios where jealousy</p>	<p>Moral Values: When is Enough Enough? This lesson explores how minor offences, such as taking things that don't belong to us, can lead to more serious behaviour through a series of scenarios involving the Go-Givers character Teefa. It aims to illustrate how our moral values can be gradually eroded.</p> <p>Why do we pay Taxes? Through this lesson we learn how the welfare state ensures a basic level of care for all citizens. It includes the role of the Chancellor and how taxes are levied.</p>

				<p>husbandry on intensive and free range farms, and how farming practices affect food prices.</p>	<p>can occur and how we can react negatively or positively</p> <p>Belonging to Groups</p>	<p>The Benefits System This lesson is a reminder that the benefits system is a safety net that is used by us all in times of need. The PowerPoint poses a number of questions on contentious issues to stimulate discussion.</p>
<p>Summer 2</p>	<p>Diversity in Britain: Save our Jack</p> <p>Exploring Our Community</p> <p>Go-Givers Bear Hunt</p>	<p>Generosity: To Give is to Receive</p> <p>The Golden Statue</p>	<p>Chicken Soup (KS1)</p> <p>Water: Our Most Precious Resource</p>	<p>Charitable Giving through History This lesson looks at the meaning and history of charity and their role in society both past and present. It looks at the role of the Victorian workhouse and alms houses. It also explores how the government helps those in need.</p> <p>History of the Olympics This lesson explores the origins of the Olympic Games. The Learning Activities delve further into the rivalry between the Spartans and Athenians, and invite a debate about the relative merits of brains and brawn.</p> <p>Invaders and Settlers: Coming to Britain This lesson gives a potted history of the people who have come to live in Britain from the Celts, Romans and Vikings to the migrant workers from Eastern Europe and people fleeing conflicts and poverty today. The lesson includes a video interview with a</p>	<p>Tricky Topics Topics which would lend themselves to Circle Time discussions with introductory notes and key questions</p> <p>Famous Philanthropists This lesson looks at how some successful business people have donated large sums of money to charitable causes.
