

Elmridge Primary School Sport Premium Grant Summary 2019/2020

Principles

- **Competition-** All pupils from Years 1 to 6 get the opportunity to sample competitive sport in school and against other schools
- **Inclusion-** Getting as many pupils as possible involved in and enjoying sport over and above the two hours curriculum time delivery
- **Discovery-** Trying out less high profile sports
- **Sport for life-** Getting the whole family involved and encouraging pupils to exercise more at home
- **Developing staff expertise in sport**

Summary of spending and action to be taken (£17,810 available- £0 carried over from 2018-19)

1. **Sport Trafford annual contract – Free entry to inter- school festivals and competitions, free CPD, subsidised transport, free coaching for one half term (£910)**
2. **Swimming lessons for all swimmers in Year 6 to ensure pupils reach minimum national expectation by the end of the year (£3231)**
3. **Male member of staff to accompany Year 3 swimmers (£653)**
4. **Support for after school clubs for pupil premium pupils (£700)**
5. **Transport to inter-school competitions so all children from Years 1 to 6 gain experience of competitive sport (£1800) as well as school games**
6. **Developing intra school competition, opportunities for gifted and talented, inclusion opportunities and leadership development (£2231)**
7. **PE and Sports Club Passport assessment system (£719)**
8. **Purchasing field equipment for children to access during lunch time including mini football goal x8, playground balls, skipping ropes etc. (£800)**
9. **Yourtrak – engaging children with their ‘Mile a Day’ by setting goals, rewarding effort and encouraging exercise - promoting healthy friendly competition (£364)**
10. **Coaches to deliver sessions that would raise levels of inclusion and increase girls’ participation in extra-curricular sport eg dance club netball club or golf. (£2,000)**
11. **Pupils experience less common sports and physical activities during sports week through taster sessions from visiting coaches (£600)**
12. **Large, aluminium football match nets and replacement plastic nets £1200**
13. **Resources for football and netball teams, including balls and posts (£392)**
14. **Playground equipment to promote physical activity during break times, including high quality wall mounted basketball nets and soft playground balls (£600)**
15. **Equipment to support Athletics curriculum time and after school clubs including rubber shot putts, foam/turbo javelins standing long jump mat and high jump bar. (£500)**

16. EYFS sports day equipment to promote physical activity for young children in a competitive environment, including size appropriate sacks, 3-legged race ties, egg and spoon set (£110)
17. Gymnastics equipment to replace damaged springboard, vault box, agility tables (£1000)

Total £17810

Expected Outcomes:

- **Access to better facilities**
- **Improvement in PE skills of younger pupils in Foundation Stage and Key Stage One**
- **Higher levels of inclusion**
- **Pupils will enjoy higher quality resources**
- **More children experiencing competitive inter school and intra school sport**
- **Enhanced provision for gifted and talented pupils**
- **Most pupils reaching the expected standard of swimming skills by the end of Year 6**
- **Enhanced CPD for Elmridge staff.**
- **More girls getting involved in after school sport**
- **Re-applying for the School Games Gold Kitemark**

Draft plans for 2020 / 2021

Further development of this year's objectives plus funding for exercise tracking bands from Yourtrak. Sensors will be installed in the track so pupils' distances and times can be accurately calculated without manual input.
Development of links with local sports clubs funding for coaching at these clubs eg Hale Barns tennis club, Hale Barns Golf Club.

Sport Premium Action Plan and Spending Projection 2019 / 2020

Item / project	Cost	Objective	Outcome / Impact on school standards	Review/impact
Physical Education: Literacy, Learning & Leadership				
<ul style="list-style-type: none"> ▪ providing pupils who are gifted and talented in sport with expert, intensive coaching and support. ▪ Developing sports leadership training for pupils ▪ Providing a weekly after school club that will appeal to girls 	£2,231	<p>Trust Sports coach to work one afternoon a week focusing on:</p> <p>talented pupils Leadership development Developing intra school competition</p> <p>Encourage girls to take up physical activity by offering specific clubs that will engage them.</p>	<p>Improved skills of talented pupils which will: improve the strength of school teams in a number of sports Enhance transferable skills that the talented pupils will be able to implement in a variety of sports improving their performances in their particular disciplines</p> <p>Development of leadership skills of older pupils. The training will focus on communication skills, presentation skills. The training process will encourage the pupils to take responsibility and initiative.</p> <p>Improve the fitness levels of girls within school. Encourage girls to try new sports</p>	<p>The sports coach delivered leadership development sessions with Year 5 and Year 6 pupils. These pupils delivered organised playground sessions at lunchtimes with Foundation stage and key Stage One pupils. These opportunities were instrumental in the personal development of the pupils selected.</p> <p>The gross motor skills of the younger pupils also benefitted from the regular lunchtime sessions with the sports leaders.</p> <p>The work done with gifted athletes was showcased in their performances in inter-school events. The boys cross country team came third in the borough's largest schools' cross country league.</p>

<ul style="list-style-type: none"> Setting a new PE assessment system- The PE and Sports Club Passport 	<p>£719</p>	<p>Pupils can be accurately assessed against detailed objectives by class teachers and coaches.</p>	<p>Pupils' progress can be tracked more effectively ensuring that trends and patterns in data can be easily identified and addressed. Interventions can be implemented sooner and therefore more effectively. More information will be available to the subject leader in order to make broader decisions on school provision.</p>	<p>The passport was purchased at the beginning of the autumn term. Training was provided during the autumn term. Staff used the system effectively for planning and assessment during term 1 and term 2. We plan to use the system again for the next academic year and more advanced training will be provided. Staff were extremely complimentary about the quality of the lessons within the scheme and the ease of use of the system</p>
-----------------------------------------------------------------------------------------------------------------------	--------------------	-----------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Healthy Active Lifestyles: Enjoyment, Engagement & Exercise				
<ul style="list-style-type: none"> paying for transport, pool hire and instruction to provide additional swimming for Year 5 for 16 weeks. 	<p>Transport to pool. Swimming coaching for 16 x1 hour sessions</p> <p>£3231</p>	<p>Pupils who are presently not able to swim 25m confidently will be able to do so by the end of Year 6.</p>	<p>This will help pupils to survive or enable them to help others in any potentially life threatening situation in water.</p>	<p>The Year 5 pupils had only just begun their swimming lessons when the school closed due to covid.</p>
<p>Employing a male member of staff to accompany the Year 3 pupils to swimming lessons for 16 weeks</p>	<p>16x 2.25 hours</p> <p>£653</p>	<p>Supporting the younger pupils to be able to access swimming lessons at the pool. A male member of staff is required from school to supervise this age if pupil.</p>	<p>This will enable the younger pupils to attend swimming lessons</p>	<p>The lessons were completed. Pupils made excellent progress and will enjoy another block of swimming in Year 5. 17 out of 30 pupils could swim 25m with more than one stroke.</p>

Pupils experience less common sports and physical activities during sports week through taster sessions from visiting coaches	£600	Encourage the pupils to try a range of different sports	Develop pupils' confidence Discover talent Engage pupils in sports generally by trying and enjoying unconventional sports	The plans for external coaches were cancelled due to covid.
Your Track exercise tracking system	£364	Track the amount of exercise the pupils, the classes and the school are undertaking on the school mile track	Pupils will be motivated to attempt challenges and win awards and certificates for themselves, the classes and the school.	The Yourtrak system was used effectively throughout the academic year. The profile of health and fitness was raised through class miles totals being shared and certificated presented in assemblies.
12. Large, aluminium football match nets and replacement plastic nets £1200 Resources for football and netball teams, including balls and posts Playground equipment to promote physical activity during break times, including high quality wall mounted basketball	£1200 £392 £600	Improve the quality of equipment on offer to pupils at break time and lunch time and during clubs	Improve the engagement levels in the activities Encourage more pupils to become active throughout the school day. Discover pupils' hidden talents Develop pupils' gross motor skills Enable the school to offer more extra-curricular clubs	The match nets were purchased but have not been used in a game situation due to inclement weather and covid. The nets were used for training and provided a better quality playing experience according to the players and coach. Two basketball nets were purchased for the playground. The pupils love the new nets and they were used by the small bubbles during the partial closure of school. They are now used every day by the pupils and were used during partial closure.

<p>nets and soft playground balls</p> <p>Equipment to support Athletics curriculum time and after school clubs including rubber shot putts, foam/turbo javelins standing long jump mat and high jump bar.</p> <p>Gymnastics equipment to replace damaged springboard, vault box, agility tables</p>	<p>£500</p> <p>£1000</p>			<p>New playground equipment was purchased for the children to use with the playground leaders. The children benefitted from having a better selection of equipment and engagement levels increased.</p> <p>The athletics equipment was not purchased due to covid meaning that the school was closed to most pupils during the summer term</p> <p>The gym equipment was not purchased and will be purchased in the new academic year with the money carried forward.</p>

Competitive School Sport: Coaching, Competition & Clubs				
<ul style="list-style-type: none"> increase pupils' participation in national school games competitions and ensure that all pupils experience inter school sport from Years 1-6 <p>Transport costs for 8 return journeys.</p>	<p>Return coach journeys for all Year Groups to participate in school games competitions and class festivals</p> <p>Return trip to sportshall athletics</p>	<p>Give the pupils the experience of participating in inter-school sport in a supportive non-threatening environment.</p> <p>Provide the forum for pupils with particular talents to get spotted</p>	<p>All pupils to take part in inter-school sport.</p> <p>Pupils try new sports and less high-profile sports</p> <p>Schools develop links with local sports clubs and access more advanced coaching</p>	<p>These events were mostly scheduled for the end of the spring term and the beginning of the summer term. One event took place- the sportshall athletics at Sale High School for Years 5 and 6.</p> <p>It was an extremely enjoyable event for the pupils and the first time that many of the pupils had experienced inter-school</p>

	9x£200= £1800	and receive the necessary advice and support.		<p>sport. One athlete with a gifted and talented challenge programme was able to experience competition at a higher level.</p> <p>At the end of the spring term, the school created a link with Altrincham Football Club- This will be further developed in the academic year. They will offer a girls' football club after school.</p>
<ul style="list-style-type: none"> ▪ buying into existing local sports networks such as school sport partnerships or community sports coaching initiatives 	<p>Trafford School Sports Partnership annual contract. This will provide: free festivals and a contribution to the transport costs of festivals. Free coaching for half a term for one after school club Free staff CLD on an area of the sports curriculum Sports leader training programme</p> <p>£910</p>	<p>The money will be used to fund Sport School Sport Partnership annual contract which provides Elmridge with:</p> <p>Free entry to year group festivals including free transport to one event</p> <p>Free sport CPD for staff</p> <p>Free entry into inclusion festivals</p> <p>Free entry to sportshall athletics events</p>	<p>Higher school participation levels in competitive sport</p> <p>Improvement in teacher knowledge and skills</p> <p>Involvement of pupils with a disability/SEN in inclusion festivals</p> <p>Participation in lesser known sports giving pupils the opportunity to discover new talents and sports they might enjoy.</p> <p>Opportunities for talented sportsman to compete at a higher level</p>	<p>The school renewed membership with the TSSP but only enjoyed a limited amount of the events and opportunities offered by the project.</p> <p>One member of staff accessed a gymnastics course in the autumn term.</p>
<ul style="list-style-type: none"> • Contribution towards after school activity costs for pupil premium pupils 	£700	<p>Enabling pupils from less privileged backgrounds the opportunity to attend after school sport clubs</p>	<p>Improving the level of the pupils' fitness</p> <p>Access to high quality coaching for all pupils</p>	<p>This money was used to enable FSM pupils to access after school activities. 7 FSM pupils accessed after school activities across just over half the</p>

				academic year. The money was instrumental in enabling them to do that.
<ul style="list-style-type: none"> EYFS sports day equipment to promote physical activity for young children in a competitive environment, including size appropriate sacks, 3-legged race ties, egg and spoon set 	£120	Improve FS sports days making the events more fun	Engaging the pupils more effectively in sport and activity	The sports days did not take place due to covid. The money for equipment will be carried over to the next academic year.
<ul style="list-style-type: none"> External coaches to offer clubs in the less well-known sports 	£2000	raise levels of inclusion and increase girls' participation in extra-curricular sport eg dance club netball club or golf	Improve the fitness and well-being of a wider range of pupils	<p>Due to a spike in interest, a girls' football club was offered for the duration of the shortened academic year. It was regularly attended by between 15 and 20 pupils. This year the girls had 6 inter-school matches and two mini-tournaments.</p> <p>A dance club was offered throughout the academic year until the school closed at the end of March. 20 pupils regularly participated. The club successfully targeted pupils that previously had not accessed after school clubs.</p>
