Watch the video – link below. Look at the PowerPoint and then try the cutting activity to make your own menorah	Creative time	Story time

### Phonics:

We will deliver a live phonics lesson each morning to maintain continuity and keep up the progress that many are making. Outside of this lesson, we will make available a number of phonics activities that you can opt to do, the most basic being the letter formation sheets. There will be a variety available – choose those suitable for your child's level of development.

### Christmas song practice:

We have been working really hard learning two songs ahead of a mini Christmas recording. It would be great if they could keep up the practice and not lose this momentum! The links to the two songs are below.

<https://www.youtube.com/watch?v=jMRSRBzoz7E>

<https://www.youtube.com/watch?v=RTtc2pM1boE&scrllybrkr=d23c31b7>

### Physical activity:

This can be anything! In school we really enjoy the Go Noodle videos, we will include links to the most popular below. You could also spend this time in the garden (wrap up warm) or doing a Joe Wicks workout. The choice is yours but some physical times is important.

<https://www.youtube.com/watch?v=BQ9q4U2P3ig> (banana banana meatball)

<https://www.youtube.com/watch?v=Imhi98dHa5w> (dinosaur stomp)

<https://www.youtube.com/watch?v=yTeUqWGCKjA> (count to 100)

## RECEPTION ISOLATION TIMETABLE

### Maths:

We follow the White Rose scheme of maths and are coming to the end of the Autumn unit. Over the isolation, please look at the videos on the Light and Dark, week 1 module. There is a video for each day and we have downloaded the activity to go with it. The video isn't essential viewing but you and your child might like to watch it together before completing the activity.

Videos can be found here. <https://whiterosemaths.com/homelearning/early-years/light-and-dark-week-1/>

\*\*FYI - there isn't one for Wednesday 9<sup>th</sup> December.

### Creative time:

Much time in reception is spent exploring the classroom and 'learning through play'. Children are still learning when they are engaged in role play activities (in fact, much of their prime areas of development occur during this time!) Allow children the chance to make their own learning choices – draw, write, create, play with their toys, play with a sibling etc.
