

Curriculum covered in Year 3 Summer 1 Half Term 2021.

<p style="text-align: center;"><u>English</u></p> <p><u>Class Novel</u></p> <p>Using Harry Potter and the Philosophers Stone, children will be completing a variety of pieces of work.</p> <p>They will create a new witch or wizard and write a character description, recapping learning on using expanded noun phrases. They will create a new potion and write instructions on how to make it. The children will also write a diary entry and take part in drama sessions.</p>	<p style="text-align: center;"><u>Maths</u></p> <p><u>Number: Fractions</u> Children will be recapping previous learning by finding and recognising a half, thirds and quarters. They will look at unit fractions and non-unit fractions and begin counting in fractions.</p> <p><u>Calculation</u> Children will recap key calculation methods for addition, subtraction, multiplication and division.</p> <p><u>Time</u> Children continue learning to tell the time to the nearest minute using the correct vocabulary. They will learn about 24-hour time and apply their learning to solve duration problems.</p> <p><u>Shape</u> Children will learn about angles and compare them. They will be able to recognise and describe 2D and 3D shapes.</p>		<p style="text-align: center;"><u>Science</u></p> <p><u>Light</u> In science, the children will learn that light can be reflected from surfaces. They will conduct an investigation into shadows and their patterns whilst also considering whether light can pass through opaque materials. Children will also recognise that light from the sun can be dangerous and learn how to protect their eyes.</p>	<p style="text-align: center;"><u>Computing</u></p> <p><u>Databases</u></p> <p>Children will learn about databases and begin to learn about the advantages and disadvantages of digital and non-digital databases. Children will begin inputting data into the database and create questions that can be answered using information from the data. They will use all their skills to sort and filter data to plan a holiday.</p>	<p style="text-align: center;"><u>Geography</u></p> <p><u>'Little Blue Planet'</u></p> <p>The children will begin to learn about key geographical vocabulary about the Earth. They will learn the names of the seven continents and how the oceans are important to us. The children will learn about the features of a river and how they shape our landscape. Finally, they will learn about how to improve and sustain our environment and why we should care about our Earth with a focus on how trees and plants are special.</p>
<p style="text-align: center;"><u>Music</u></p> <p><u>Bringing Us Together</u></p> <p>Children will learn a disco song that focuses on friendship, peace, hope and unity.</p>	<p><u>Design and Technology</u></p> <p><u>Mini Greenhouses</u></p> <p>Children will learn about the features of a greenhouse. They will investigate stable structures and suitable materials to make a mini greenhouse. Children will design, make and evaluate a greenhouse.</p>	<p style="text-align: center;"><u>Spanish</u></p> <p>Children will learn how to say some fruits and vegetables and begin to relate these to certain meal times. Children will also learn how to ask for a certain item.</p>	<p style="text-align: center;"><u>RE</u></p> <p>Children will be learning about the importance of prayers within Hinduism, Islam and Christianity. They will learn about similarities and differences across the three faiths and the rituals that take place. Finally, children will consider the importance of reflection and think about themselves and what they are thankful for.</p>	<p><u>Games</u></p> <p><u>Gymnastics</u></p> <p>Children learn how to link movements together at different levels and begin to introduce rolls.</p> <p><u>Sports Development</u></p> <p>Golf</p>	<p style="text-align: center;"><u>Citizenship/PHSE</u></p> <p>Children will consider the feelings of different characters in a story. They will use the story to make predictions. Finally, the children will create a recipe for sharing. In the next unit, children will learn about the purpose of trees and discuss the implications of deforestation.</p>
