Pupils are required to read at home at least twice a week. **Parents are asked to sign the reading diaries** to confirm their child has read each week. Reading diaries will be checked on a Friday at school. Children should note the page numbers that they have read in their diaries. When they finish the book, **pupils should write a comment** to explain why they have or haven't enjoyed it.

Please inform me if your child has needed help with their homework by writing HG next to the activity.

Homework diaries should also be **signed each week by parents** and will be signed by the teacher on Friday. Any incomplete or missing pieces of homework will be recorded in the diary by the teacher. Spelling test results are also recorded here.

Homework is an important aspect of the children's learning at Elmridge. If a child fails to complete **3 pieces of homework** in a half term their name will be recorded in the warning book and a letter will be sent home.
