Monitoring the impact of Pupil Premium Grant

The Head of School has overall responsibility for the attainment and progress of Pupil Premium children although ensuring the progress of eligible pupils and evidencing this is a whole-school priority.

Children's progress and attainment is tracked and monitored carefully to ensure they achieve their full potential. Regular monitoring and evaluation is key to ensuring effectiveness of expenditure.

Targets for pupils are set in reading writing and mathematics. The school knows where it expect them to be by the end of each year group and official testing points. Monitoring is a joint responsibility of the class teacher and Senior Leaders and regular assessment data is analysed and acted upon.

Through our Local Governing Body meetings, we report clearly on data for Pupil Premium and a transparent expenditure line is maintained in our financial monitoring so governors can link value for money with impact.
