

Dear Parents/Carers

Firstly, I would like to say a big thank you to those who took the time to complete the Parent Feedback Questionnaire this half term. Over 80 of our families responded across the various year groups, so we are confident that we have a representative picture of your views and suggestions. The results have been presented to the teaching staff and will be shared with the Full Governing Body at our next meeting.

- “My child thrived, exceeded potential and developed good sense, self-confidence and self-belief.”

Raising the profile of bullying

All children have opportunities to look at bullying in PSHCE and Online Safety lessons each year.

This topic is also discussed during our collective worships throughout the year.

This year our school council representatives have worked with their classes to create a definition of ‘Bullying’ and we took part in anti-bullying week, promoting the one kind word campaign.

Our school values of respect, friendship and unity underpin everything that we do. Children modelling these values receive certificates during Good News assemblies.

Keeping up to date with pupil progress

In September there is an open evening to meet the class teacher.

We hold two parents' evenings each year, once in Autumn and once in Spring.

In February parents receive an interim report to report upon pupil progress.

In the Summer term we send a more detailed annual report.

Parents are able to speak to teachers if they have concerns throughout the year.

Homework books are marked and feedback is given for pupils and parents.

At Elmridge, we are in a continuous cycle of review and improve. Looking carefully at the questions with fewer positive responses, there are a few areas for further consideration and these will be discussed with the staff, pupils and governing body.
